

Serenade's Immediate Setting, in Troy:

IL 162 connects directly with Troy's northerly Interstate access.

All businesses in Troy's "Business District" along Ill 162 are walkable.

Note the long border with Troy's 155 acre public park, and the pedestrian access gate that connects paths.

The storm water retention basin is cleverly designed as a private nature park.

Old Collinsville Road connects to Troy's 2nd Interchange Access.

A larger area photo is included in the reference section.
