

## DEVELOPMENT TEAM

### THE BUILDER

#### **TODD PETERS ~ STRAIGHTLINE CONSTRUCTION, INC.**

Turning dreams into reality. A dream home doesn't just happen; it takes careful planning, attention to detail, and the necessary skills to make it happen. Todd specializes in creating homes of distinctive beauty, reflecting a commitment to every facet of construction. His hands-on approach means the customer receives unparalleled attention and easy access during the entire building process. Unlike other contractors, Todd is on-site, taking special interest in every home he builds, making certain that each phase is done correctly and on time. The hallmarks of his work are attention to detail, fine craftsmanship, excellent finish work, and outstanding communication with clients.

For your new home, choose the builder whose business is building dreams.
