FROM OUR GUEST LOGS: "We had a wonderful experience and time in the house. This house is more than a house, it is a very warm and beautifully decorated home. Every single detail has been taken care of. The sunset views are gorgeous. The infinity pool and the Spa, a tremendous asset to the house. We drove 5 minutes to the beach and parked at the Marriott Crystal Shores parking lot, paying \$5.00, for the whole day, the beach in this part is beautiful. We enjoyed and treasured the time we spent there. Thank you for creating such an awesome home. God bless" Guests overall rating for this home: 5 out of 5 stars

" Jim Just a short note to let you know how much my wife, youngest son and I are enjoying your beautiful Marco Island home. It is fantastic. We have rented a few homes across Florida but this is by far the best. You have supplied everything needed and the computer is a great idea (although my 13 year old doesn't think so as he is doing school work on it at the moment as we had to take him out of school for a few days!) House is so nice the problem will be leaving it on Saturday and heading home to a cold wet Scotland. Regards Dave Sent from my iPhone= "

"This house is beautiful with amazing surroundings. We would definitely come back. You're very lucky to have a house like this, you must enjoy it so much. Tigertail beach is lovely and we would recommend the Everglades boat ride. The Snook Inn is a great place to eat. We will remember the whole experience and the house, particularly watching the sun go down from the hot tub! "
